

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

# GRAND JURY ORDERS.

---

## SUMMER ASSIZES, 1830.

---

We direct the Collector of Grand Jury Cess to lay before the Grand Jury on the first day of every Assizes, a return of the names of every individual Assessed to pay Grand Jury Cess of the previous Assizes, stating the Sum charged on each, and distinguishing those who have paid and those who have not paid, as directed by the 55th Geo. III., ch. 84, sec. 28.

We direct that no Work shall be done in future to the Gaol or Court-house without a proper Estimate being first presented of such Works, and approved of by the Grand Jury; and we recommend that no money be granted hereafter by the Grand Jury for any Works for which such an Estimate shall not be presented.

We order that if the Court-house Keeper permits the Grand Jury Room or its Offices to be used by persons not entitled, he shall be charged for any repairs necessary, and also fined for a breach of this order.

---

**SUMMER ASSIZES, 1849.**

We direct that One Hundred Copies of the Presentments made at this Assizes shall be printed, and distributed in the usual manner; and that One Hundred copies of the Schedules of Affidavits, or Proposals to be made at the Special Sessions, shall likewise be printed and distributed in the usual manner.

---

**BOARD OF SUPERINTENDENCE.**

We present and appoint the Most Noble the Marquis of Ormonde, Robert Cane, Esq., Mayor, Richard Sullivan, Esq., J. P., Edmond Smithwick, Esq., J. P., Thomas Hart, Esq., J. P., Henry Potter, Esq. J. P., Wm Lanigan, Esq., John Howlett, Esq., Wm. Mercer, Esq., Michael Potter, Esq., John M'Creery, Esq., Thomas Power, Esq., to be a Board of Superintendence to the City Gaol and Lunatic Asylum, 7th Geo. IV., chap. 74, sec. 2.

We present and direct our Treasurer to pay Matthew O'Donnell, Esq., Barrister-at-Law, £2 2s., being his fee for opposing, before the Judge, on behalf of the Grand Jury, a claim of Doctor Alcock's, (Physician to the Gaol) for an increase of salary.

Resolved—That the Grand Jury do recommend to the Governors of the Kilkenny Dispensary, to make every effort to secure the future maintenance of the

---

Institution from off the rates of the Electoral Division; the present support of the Dispensary falling exclusively on a limited number of Cess-payers; and, moreover, as this is likely to be the last Assizes at which the Grand Jury will have a power of presenting any sum for the Dispensary.

Resolved, unanimously—That, inasmuch as the Medical Officer of the City Prison has continued for a period of fifteen years, to perform his professional duties, at a salary of thirty pounds per annum, the Grand Jury do not feel themselves warranted, in the present times of oppressive taxation, in recommending an increase of salary.

We order that the Accounts of the Board of Superintendence be closed twice every year, and that the Board shall meet for that purpose six days before each Assizes.

We direct the Secretary to issue Summonses to the Board of Superintendence four days previous to each meeting, and we are of opinion that it is desirable the Board should assemble once every month.

We appoint a Special Sessions to be held for the County of the City of Kilkenny, at the New Court House, in said City, at the hour of One o'Clock in the afternoon of Thursday, the 7th of February, 1850, under and pursuant to the 6th and 7th Wm. IV., c.

116, secs. 5 and 6, and for the purpose of receiving proposals for Presentments, and also for receiving Accounting Affidavits for Work done pursuant to Presentment.

We present and appoint Mr. Thomas Shearman as contractor for one year, to print the Presentments and Schedules, and other Work required by law to be printed.

We present the amount of Solvent Arrears received since Spring Assizes, 1849, to be £38 ls. 3d.

•

---

We order that the Accounts of the Board of Superintendence be closed twice every year, and that the Board shall meet for that purpose six days before each Assizes.

We direct the Secretary to issue Summonses to the Board of Superintendence four days previous to each meeting, and we are of opinion that it is desirable the Board should assemble once every month.

We appoint a Special Sessions to be held for the County of the City of Kilkenny, at the New Court House in said City, at the hour of One o'Clock in the afternoon of Friday, the 7th of June, 1850, under and pursuant to the 6th and 7th Wm. ---

TO THE BOARD OF GUARDIANS OF THE KILKENNY  
UNION.

Gentlemen,—We, the Grand Jury of the City of Kilkenny, at Spring Assizes assembled, beg leave, respectfully, to suggest to your Board, that marching the Union paupers through the City, daily, with drums and fifes, is, in the opinion of this Grand Jury, indecorous and inexpedient; and we most respectfully request the Guardians to re-consider the subject, (with a view to the discontinuing of the practice,) as we consider same incompatible with the relative position of Paupers and Rate-payers.

We direct that no Work shall be done in future to the Gaol or Court-house without a proper Estimate being first presented of such Works, and approved of by the Grand Jury; and we recommend that no money be granted hereafter by the Grand Jury for any Works for which such an Estimate shall not be presented.

We order that if the Court-house Keeper permits the Grand Jury Room or its Offices to be used by persons not entitled, he shall be charged for any repairs necessary, and also fined for a breach of this order.

---

**BOARD OF SUPERINTENDENCE.**

We present and appoint the Most Noble the Marquis of Ormonde, Michael Banim, Esq., Mayor, Richard Sullivan, Esq., J. P., Edmond Smithwick, Esq., J. P., Thomas Hart, Esq., J. Resolved—that the Grand Jury do recommend to the Governors of the Kilkenny Dispensary, to make every effort to secure the future maintenance of the Institution from off the rates of the Electoral Division; the present support of the Dispensary falling exclusively on a limited number of Cess-payers; and, moreover, as this is likely to be the last Assizes at which the Grand Jury will have a power of presenting any sum for the Dispensary.

---

We order that the Accounts of the Board of Superintendence be closed twice every year, and that the Board shall meet for that purpose six days before each Assizes.

We direct the Secretary to issue Summonses to the Board of Superintendence four days previous to each meeting, and we are of opinion that it is desirable the Board should assemble once every month.
